Dear Sir or Madam:

The La Mesa-El Cajon Branch of the American Association of University Women (AAUW) has been actively involved in the east county of San Diego for more than fifty years. Our branch raises money to award scholarships to women, and career development for young girls. Locally, we provide scholarships for women enrolled in Cuyamaca and Grossmont Community Colleges, and San Diego State University. Additionally, we pay for up to eight 8th grade girls to attend a week-long Science-Math camp at UCSD. In the Spring, we hold a Career Day to expose 5th grade girls to higher level job possibilities.

In support of these programs and others in our community, we are holding our 10th annual Author's Luncheon that will be attended by as many as 300 people. We depend on businesses such as yours for contributions of door prizes and auction items.

We would greatly appreciate any contribution you can provide for our Author's Luncheon, which will be held on April 16, 2011. If you have any questions please call me at (619) 447-1634. Your company or business will be acknowledged in our program. Thank you for any assistance you can provide.

With warmest regards,

Norma D. Sibbet
